

## **Leading Litigation Support Firm TERIS continues impressive national growth, opens Chicago office**

*Respected eDiscovery professional John Stanton brings 10+ years experience to Chicago market as new Regional Director of Electronic Sales*

**CHICAGO – September 2, 2009 –** [TERIS](#) announced today its expansion into the Chicago litigation support market. Respected Chicago eDiscovery industry veteran John Stanton joins TERIS as Regional Director of Electronic Sales (RDES) and is leading the company's entry into the Chicago market.

Despite the national recession, TERIS's success in its other locations, particularly in the area of electronic discovery (eDiscovery) has led to its expansion into the Chicago market. Opening and managing the office is Stanton, who brings more than 10 years of sales and management experience (with special expertise in eDiscovery and legal technology solutions).

"Entering the Chicago market is a significant step for us as a firm," said TERIS founder and CEO Stefan Wikstrom. "We are excited to bring our expertise in eDiscovery and related litigation support services to this demanding market. We are committed to earning the trust of clients in Chicago as we have done in each of the other seven markets we serve and we know the only way to do this is to provide exceptional value, knowledge and service."

Prior to joining TERIS, Stanton worked as Regional Sales Manager for Oce' Business Services/CaseData where he focused on developing and managing eDiscovery and litigation technology solutions. Stanton has also served in sales management positions with other leading industry organizations including EVault/Seagate Technologies, Thomson West and LexusNexus.

### **ABOUT TERIS**

Founded in 1996, [TERIS](#) (previously known as ALC Legal Technologies, Duplex Legal Discovery Solutions, and Digital Discovery Solutions), is a full-service litigation support solution provider that works with many of the largest and most prestigious law firms and Fortune 500 companies in the country to provide sophisticated consultation-based solutions, state-of-the-art technologies and highly experienced project management.

TERIS services includes eDiscovery, Contract Review, Consulting and Project Management, Repository/Hosting, Document Imaging, Digital Forensic and Traditional Reprographics. The company also provides valuable research, analysis, and information management assistance for complex challenges to help clients prevail over tight deadlines and unanticipated obstacles.

The company operates a free job board for the legal profession at [www.discoverlegaljobs.com](http://www.discoverlegaljobs.com) and has offices in Austin, Chicago, Dallas, Phoenix, San Diego, San Francisco, Silicon Valley and Seattle.
